Join Deb's Destinations for a haunting experience!!

The adventure begins on a luxurious coach ride to Salem, Ma. Your first stop will be a visit to the Salem Witch Museum for a very unique experience. This museum examines one of the most enduring and emotional events in American History, the Salem witch trials of 1692. The museum consists of two stage presentations. The first provides an immersive look into the events of 1692. Visitors experience the drama of that dark time through thirteen life-size stage sets, figures, lighting, and narration as they are witness to the web of lies and intrigue of the Salem witch-hunt. The second exhibit, Witches: Evolving Perceptions, explores the meaning behind the word witch and evolution of the image of the witch over time. This presentation focuses on the European witch trials and the background leading to the Salem witch trials. In addition, this presentation discusses the emergence of the stereotypical witch and the phenomenon of witch-hunting. After the museum you will have free time on your own to explore the downtown area where you will experience Salem art, culture, unique shops & boutiques, and delicious fine dining. You may want to check ahead to book one of the many walking tours that Salem has to offer by going online. Our approximate return time is 7:30PM. Call Deb to register for this trip.
