### Explore the BEAUTY of HAWAII

On this land tour you will journey through the multicolored rainforests of Oahu, Maui, Kauai, and the Big Island of Hawaii. Enjoy a kaleidoscope of color for the eyes, the Hawaiian Islands equally spread the wonder across all senses. The sweet fragrance of orchids and jasmine fill the air, the sounds of crashing waves and plucking ukuleles can be heard for miles, and the taste of rich Kona coffee, buttery macadamia nuts, and soft Hawaiian sweetbread are worth the trip alone. Leading you to verdant valleys and sky-high volcanoes, sprawling plantations and scenic parks, and historic museums and heartwarming memorials, this tour of Hawaii is amazing and one you will talk about for years.
