Join Deb's Destinations for this Tasty Experience!!

The adventure begins on a luxurious coach to Lincoln, NH, a different location then last year, where you will have many beautiful views along the way to The Seven Birches Winery and The Hobo Train ride! This year we will be enjoying a wine tasting before boarding the train at a local winery, with an opportunity to make purchases for your upcoming holiday gatherings as well, should you choose to do so. We will then board the Hobo Railroad in Lincoln, NH, a family-owned and operated Tourist Railroad located at the southern entrance to New Hampshire's popular White Mountain region. We will make our way across the beautiful countryside, all while enjoying a yummy turkey dinner catered by Hart's Turkey Farm. Your meal includes freshly carved roast turkey, stuffing, whipped potato, butternut squash, gravy, rolls & butter, and warm apple crisp for dessert! Your 80-minute train ride aboard the restored vintage coaches, takes you approximately 15 miles round-trip through a natural woodsy setting which includes traveling south along the banks of the Pemigewasset River on a historic rail system that dates to the late 1800's when logging was the area's primary industry. Our approximate return time is 5:30PM.
