**September 29**

Transfer from the hotel to the ship mid morning. Board the beautiful American Countess for the beginning of your journey. Ship departs port at 5 pm (B L D)

**September 30**

Today arrive in Hannibal, Missouri at Noon. While in Hannibal explore the Mark Twain Cave written in about five of Twain’s books. This famous cave was also used by Jesse James as a hideout following his 1879 bank robbery. His signature remains on the cave to this day. (B L D)

**October 1**

A day of scenic cruising down the river as you head for Bettendorf. (B L D)

**October 2**

Arrive in Bettendorf, Iowa at 8 am. In this town you will experience whimsical architecture which complements the eccentric gardens of the Quad City Botanical Center in neighboring Rock Island. (B L D)

**October 3**

Today you will spend 1/2 of the day in Dubuque, Iowa. Victorian meets bohemian in this ever-growing Mississippi River gem that’s sure to leave dazzling memories. In Dubuque explore historic districts peppered with preserved history. Take a ride on the historic Fenelon Place Elevator, which is also the shortest, steepest, scenic railway, spanning 296 feet in length. Admire the 105 stained-glass Tiffany windows at St. Luke’s United Methodist Church, home to “one of the five finest religious Tiffany collections in the world.” (B L D)

**October 4**

Arrive in La Crosse, Wisconsin at 8 am for a day of wonder. The La Crosse Region is a proud part of the Driftless Region, a part of the world with an ancient, distinct topography and unparalleled views. “Drift” refers to glacial drift; the rock and sediment deposited by a glacier as it moves over an area of land. (B L D)

**October 5**

Arrive in Red Wing, Minnesota at noon today for your overnight stay. Red Wing was included on National Geographic Traveler’s list of the world’s most historic places. The port city offers endless opportunities to travel back in time and learn about settlers and pioneers who occupied the land or admire the craftsmanship and creativity of local artisans of both the present and the past. The first settlers in town built small mills, factories, and workshops, similar to ones they were familiar with in New England where many came from. (B L D)

**October 6**

Today your river cruise ends as you disembark from the ship and make your way to the airport for your flight back to Boston. Followed by your transfer back to Maine. Where you can share your adventures with all your friends and family. (B)
