THE OUTER BANKS OF NORTH CAROLINA

5 Days - 4 Nights

The sample itinerary described below is approximately like the itinerary your group will be following during your stay with WHITE STAR TOURS. However, the exact times, days, and destinations may vary for your group.

- Day 1 - Depart from your hometown and travel to your overnight stop where lodging has been arranged for you this evening (*pack an overnight bag*); dinner is on your own this evening.
- Day 2 - Following breakfast, check out and depart for the **Outer Banks of North Carolina**. This thin strip of barrier islands is 200 miles long and juts out into the Gulf Stream of the Atlantic Ocean, bringing temperate climates and sea life to the region. An afternoon arrival on the Outer Banks finds you at the **Wright Brothers National Memorial**. The Visitors Center has a full-scale replica of the original plane, as well as exhibits and talks on history of the Wright Brothers. The Centennial Pavilion houses exhibits dealing with the Outer Banks at the turn-of-the-century, the evolution of aviation, the challenges of flight and NASA-sponsored exhibits. After checking into your hotel in the area, you will depart for dinner at a local restaurant.
- Day 3 - After breakfast, depart with your guide for a tour of **Cape Hatteras National Seashore**. Included will be a stop at the **Bodie Island Lighthouse** for a perimeter tour and photo opportunity. Later, visit **Cape Hatteras Lighthouse** where you may view the tallest brick lighthouse on the American Coast, and also the tallest brick structure ever moved to another location. There will be time to explore the **Visitor's Center**, then continue to the Hatteras Ferry Docks where you can enjoy lunch on your own. In the afternoon, visit **The Graveyard of the Atlantic Museum**, one of the finest, most innovative maritime facilities in the nation. The waters off North Carolina's Outer Banks entomb thousands of vessels and countless mariners who lost a desperate struggle against the forces of war, piracy and nature, thus becoming known as *The Graveyard of the Atlantic*. Also included is time at the **Chicamacomico Life-Saving Station**, including the original station built in 1874 and a second station constructed in 1911. Listen to fantastic stories of the heroic feats of our nation's first storm warriors before returning to your motel to freshen up. Dinner has been arranged at one of the area's popular restaurants
- Day 4 - Following breakfast, check out and depart for Manteo and **Elizabethan Gardens** where history, mystery and fantasy are combined. The gardens are a memorial to the first English colonists and Queen Elizabeth I. Afterwards, proceed to nearby **Roanoke Island Festival Park**, a living history museum which brings to life the 16th-century colony through interactive exhibits and displays. You will even find the a recreation of the **Elizabeth II**, the ship which brought England's first colonists to the New World. Also included is the Settlement Site, the **Roanoke Adventure Museum**, the American Indian Town, the *Legend of Two Path* film and more. Following your visit, depart for your last night of lodging where you will check in upon arrival (*pack an overnight bag*); dinner is on your own this evening.
- Day 5 - Enjoy breakfast, then check out and prepare for your departure home. Arrive home with lasting memories of the **Outer Banks of North Carolina**.
